The Honorable US Senator Frank Lautenberg
One Gateway Center Drive
Twenty-Third Floor
Newark, NJ 07102

Dear Senator Lautenberg,

Congratulations! New Jersey Citizen Action's Political Action Committee is proud to extend our endorsement to you for re-election to the United States Senate in this November's General Election. As you know, New Jersey Citizen Action works to protect and expand the rights of individuals and families, and to insure that government officials respond to the needs of people rather than the interests of those with money and power. We seek to advance a progressive political agenda, through collective action and individual empowerment throughout New Jersey.

As the state's largest independent citizen watchdog coalition, NJCA pays careful attention to the critical national and international issues facing our country. Your extensive voting record demonstrates strong leadership and steadfast commitment to addressing the major issues of our time. Your outspoken resolve to end the war in Iraq and commitment to reverse the Bush administration's upside down priorities represent the kind of progressive leadership our members and New Jersey needs in Washington.

We are confident that as a member of the U.S. Senate, you will continue to provide the leadership and skills necessary to make real improvements in people's lives. We hope to realize significant changes in the direction of our country as a result of these 2008 elections and look forward to working with you and your staff during the campaign.

Very truly yours,

Mitch Kahn
